## *In Appreciation*

Since he came here in 1946, this man has been a continual source of guidance and inspiration to the students of Delhi High School. His outstanding success with his FFA chapters, and the excellent leadership he has given the agriculture department have long been a source of pride to the school. Students representing DHS in agriculture at literary rallies consistently win under his guidance. Because of his many contributions to the school, we would like to express our appreciation to MR. W. A. GAHARAN.

*The Dawn of A New Day*

# *It's Morning!*

Every morning at 7:30 A.M. Mr. Johnson opened the doors to another day of -Learning? While the teachers were in the lounge waking up, the students anxiously awaited their first class of the day.

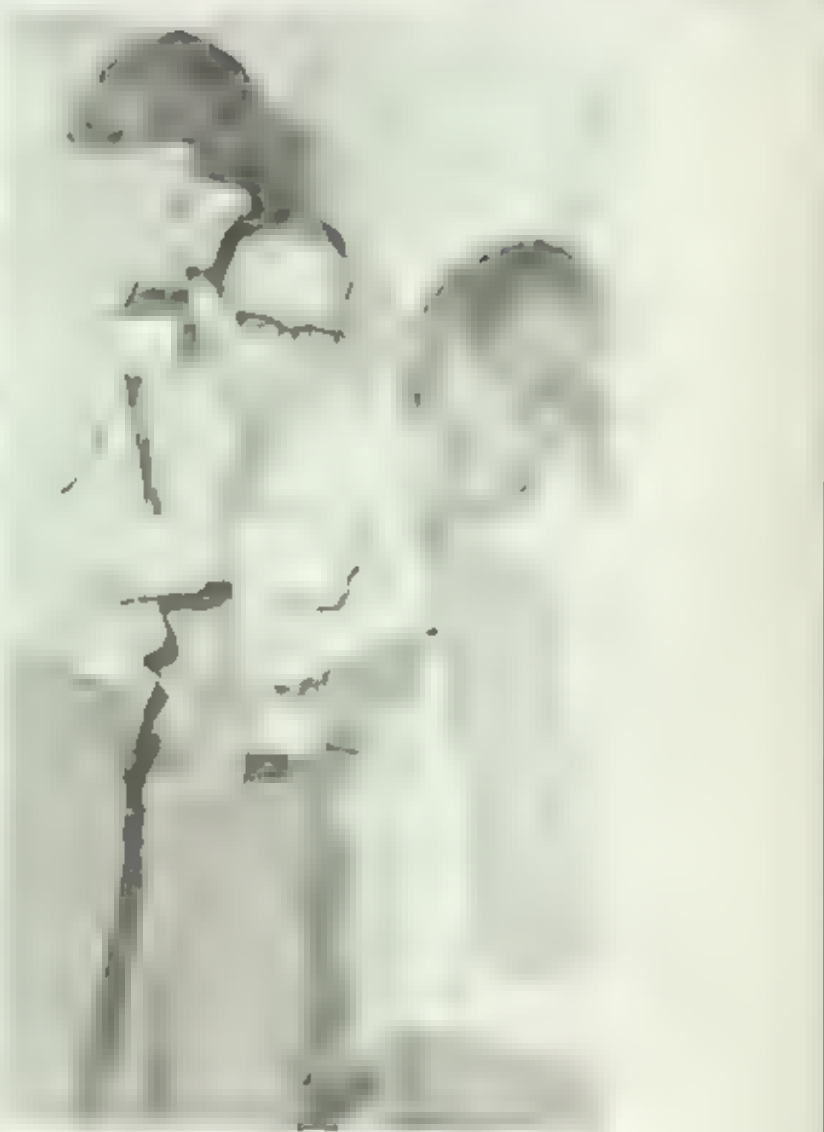

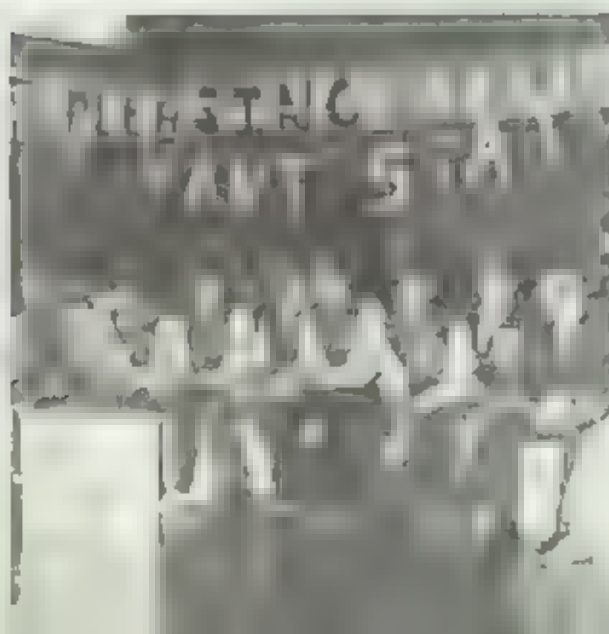

F. D. NEWELL  
 OF THE JUNIOR  
 CLASS, STANDING  
 BETWEEN THE  
 SENIOR CLASS.

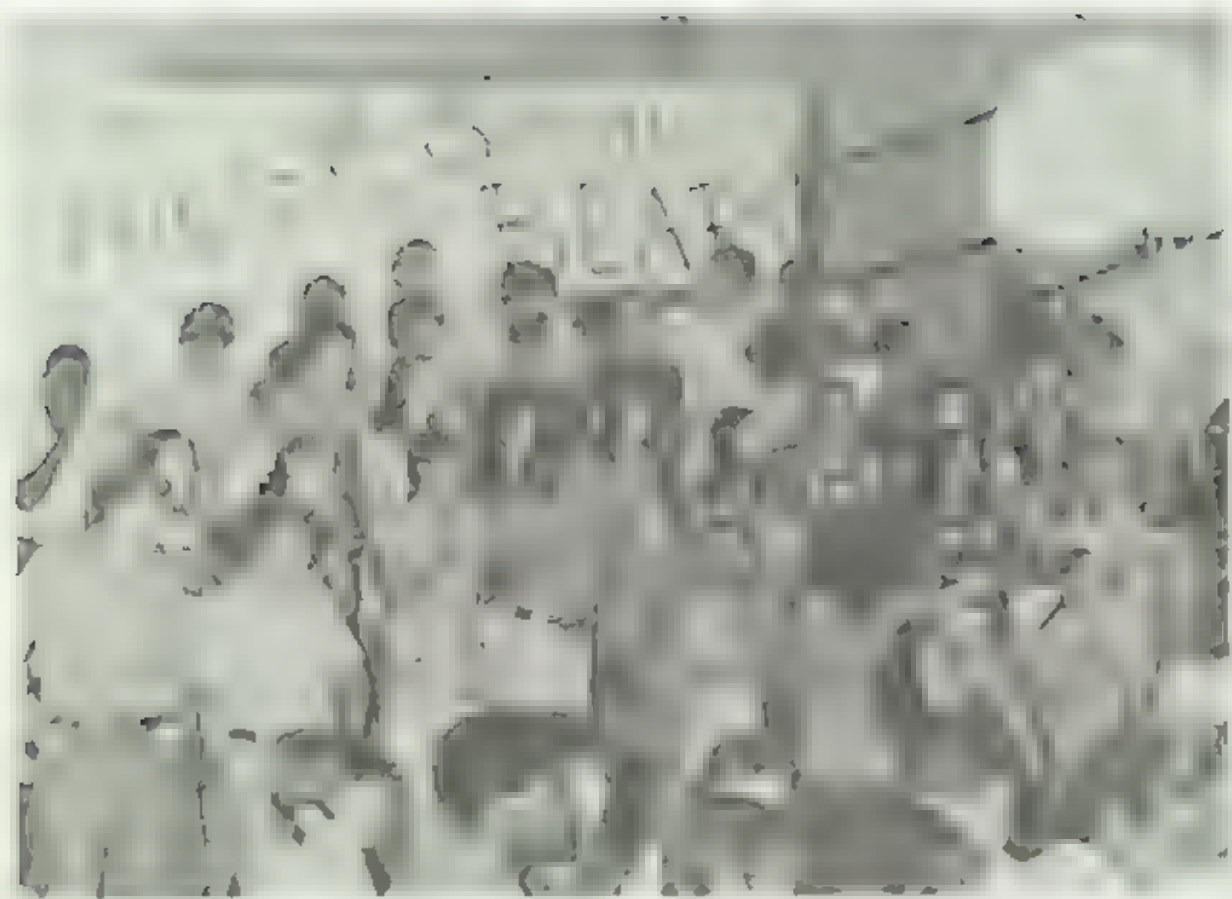

We are now entering the first week" ...  
These words were very familiar to us.  
Not to mention the enthusiastic singing of the student body.  
And don't we all remember the chapel programs.  
No one will ever forget the spirited pep rallies that  
boosted us to the District 2 AA championship.

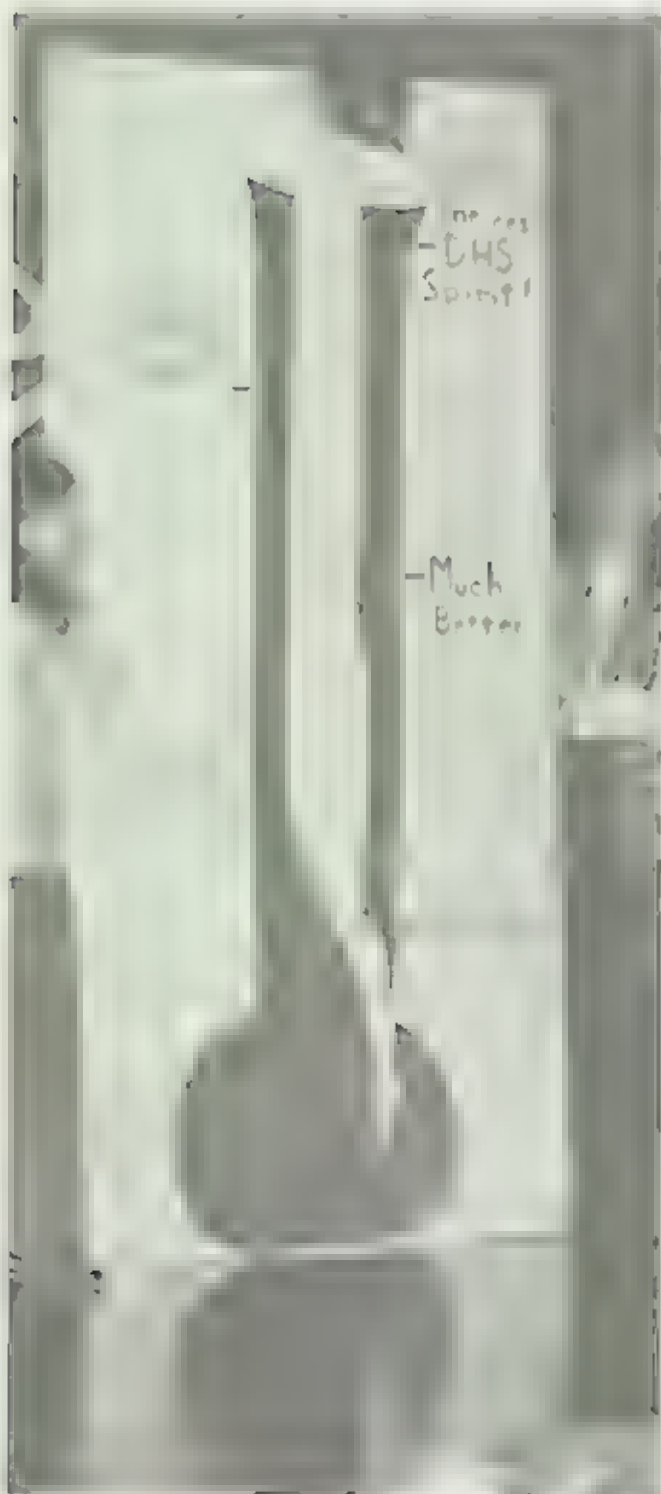

Spirit at D.H.S. was what it was all about  
in the Bear season of '72 ...  
And then it was all over, The Alma Mater  
had been sung, the signs had been removed,  
and the Bears went out for another victory.

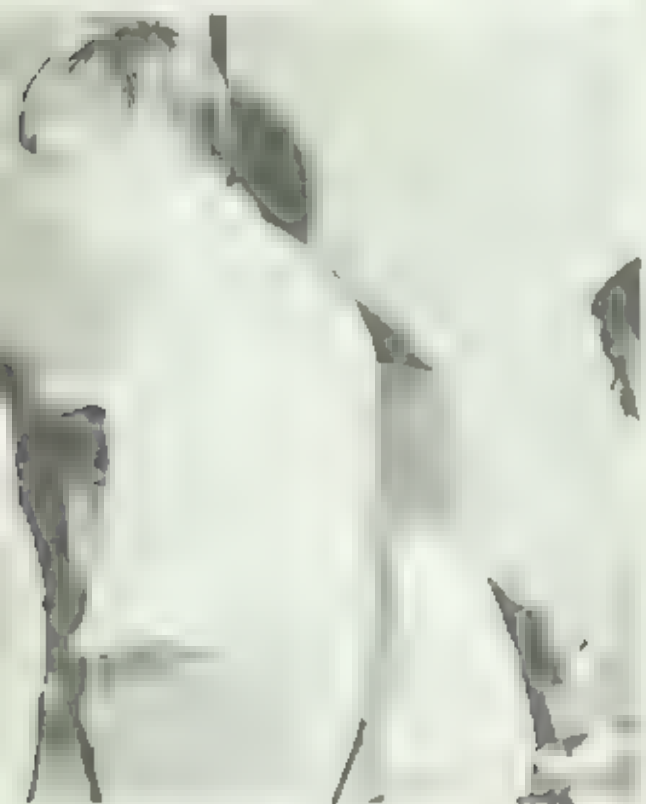

There was barely time to eat!  
Everybody was rushing to the cafeteria line,  
to the drug store, to The Dairy Delite and  
almost any place where there was food.

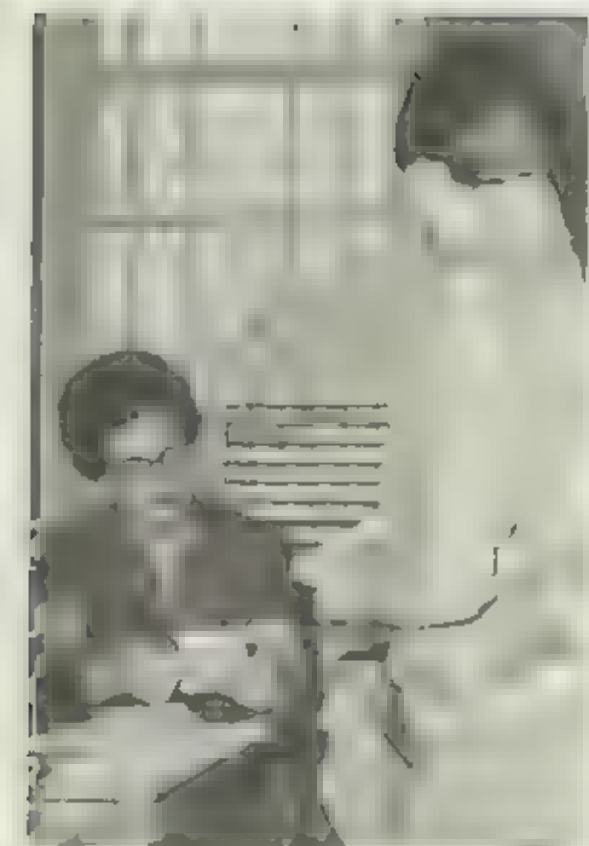

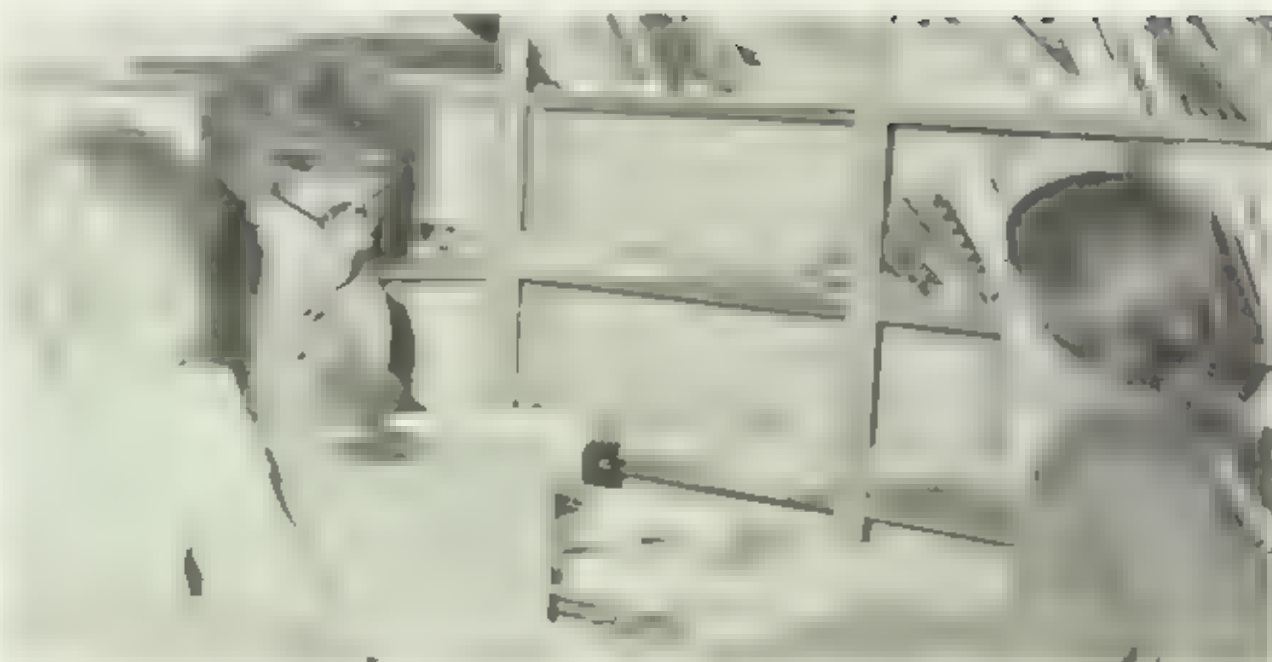

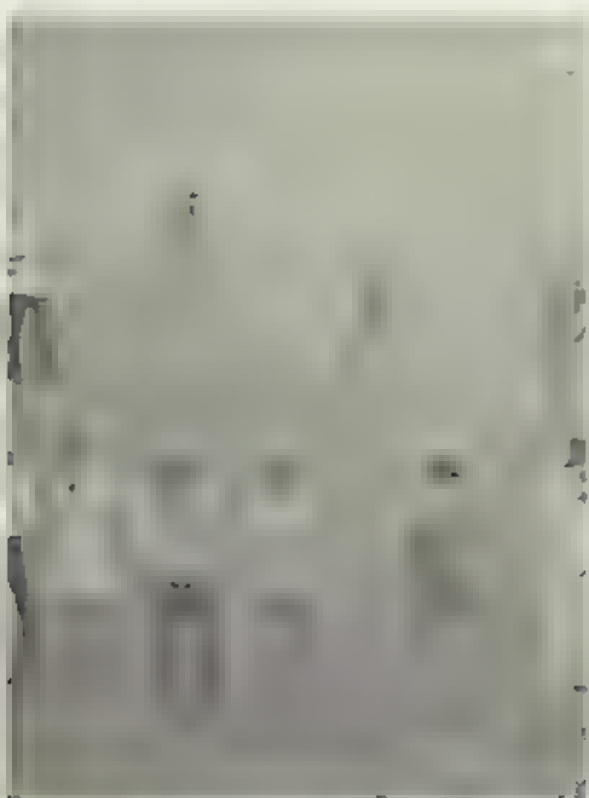

Moving right along ... with a full stomach some people found the energy for the fun things in class - then there were the studious ones.

Then there was activity period, when the boys stood and watched the girls in a cheering circle. Some people always craved for snacks from the candy room. There were also times for visits to the guidance counselor and the office. Seniors will always remember the good times in the school entrance.

# *Then Came Afternoon . . .*

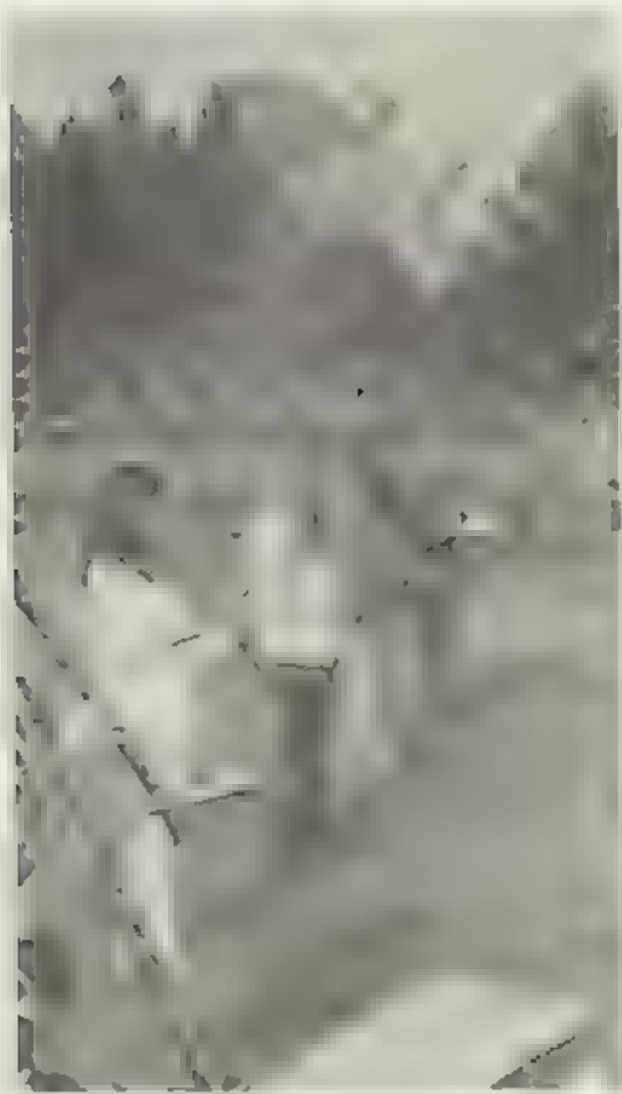

With the exception of club meetings,  
such as the FHA ritual, the creating of the Arktos,  
the fellowship of 4-H, and the "Bear Facts"  
members discussing news plans,  
The halls of DHS were silent.  
Meanwhile, outside went on the rucus of a  
determined, fighting, winning football team.

After school the majorettes practiced for their half-time shows, while the band played on.  
Troll day offered fun and entertainment for all the participants and bystanders.  
The girls worked hard making signs for the football games, while Mickie supervised.

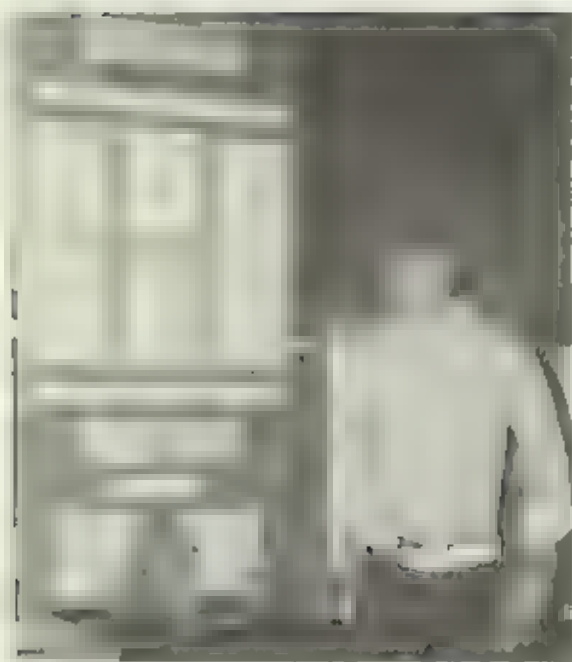

The most exhausting part of the afternoon  
was all the practice one had to go through  
for a winning team.  
Improve defense, practice free throws, press,  
game plans, laps ...

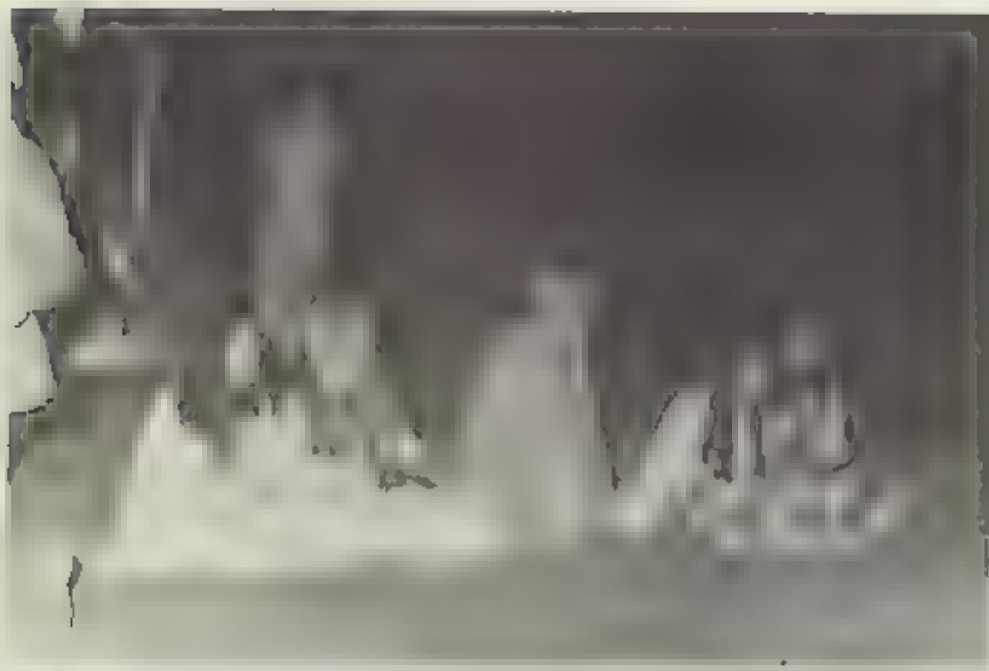

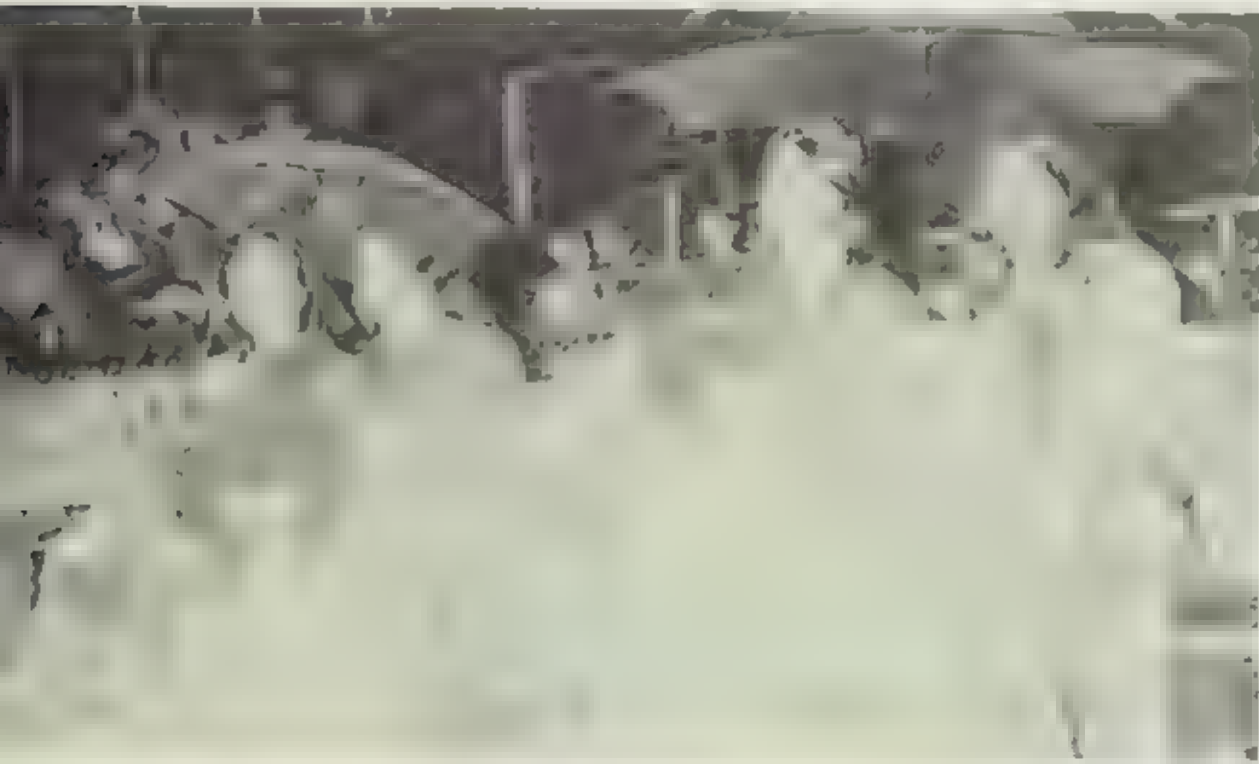

# *And Then It Was Night . . .*

An empty building . . .

The night of open house, the excitement of having won in the Science Fair, the participation of the pep squad, the homecoming court, and a crowded gym were all a part of a DHS night.

The 1972 Delhi Bears went undefeated in district play to become District 2-AA Champs. In preseason polls the Bears were picked to come in fifth in the district, but they overcame this and all other obstacles on their way to the best season a Delhi football team has had in ten years.

The excited players, the excited fans,  
the thrill of winning, the despair of losing,  
all came together during the  
Delhi basketball season.

The track teams gave it all they had and  
came out on top.

District 2-AA Champs 1972 and a trip to  
the state meet.

The Sports Banquet was a remembrance of the  
winning of our outstanding athletes,  
and to all those who helped our seasons  
which were a success.

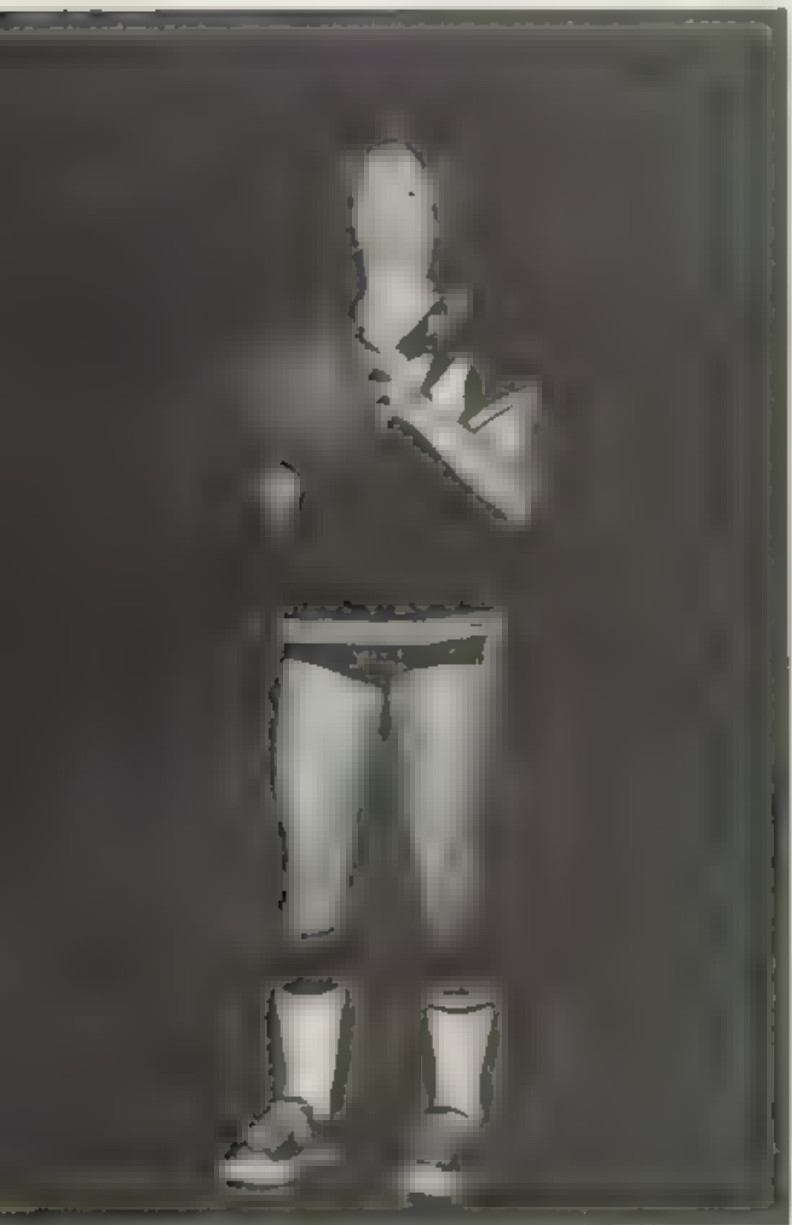

A hundred yesterdays filled with the joy and  
wonder that a thousand tomorrows may never bring.  
The events of yesterday take  
their final form between the pages of book.  
Such a little thing to hold the  
accomplishments of men.  
Such an important thing to hold the  
key to memories.

# *Who's Who Chosen For Leadership, Character,*

# Scholarship, Followship and Dependability

LUMINDA MARSHALL is always there when something needs to be done. With a patient and knowing smile, she has worked in the office becoming a tremendous help to the staff. As a Northeast Louisiana University scholarship recipient, she has shown her merit and ability as a student and as an individual. Delhi High School proudly salutes her on her outstanding honors.

Outstanding scholastic record plus a genial and captivating smile are the trademarks of ANN TOMLINSON. Striving to achieve in the goal set by Ann, and she plans to carry her plan in full force at Louisiana Tech. School services such as pep squad, make Ann an ideal student, friend and loyal Bear fan. It is a pleasure to have Ann represent Delhi High School.

High ideals and a determination to carry them through are only two deserving traits which place JIMMY HUTCHINSON on the Who's Who list again this year. He is dependable as a leader, cooperative as a follower, outstanding as a student, and seldom seen without a smile. He surely will make just as great a contribution to whatever college he chooses to attend as he has made to DHS.

Conscientious and hard-working are just two of the many adjectives that could be used to describe LA DONALD ENSLEY. Always concerned with his class activities, La Donald was a sure candidate for Who's Who. Along with his scholastic record, La Donald also plays the piano and is in the band thus serving the school in other ways. We are proud to have him as a member of the 1973 Who's Who.

JOHN ERWIN is always willing to work hard at whatever he does, whether in classes, publications civic, church affairs, or in managing the boys athletic teams. His high scholastic attainments and witty personality makes him admired by faculty and students alike.

DANNY PEARSON's athletic ability, scholarship pleasing personality, integrity, and helplessness are some of the qualities which make Danny Pearson one of the best liked students to ever attend Delhi High. Danny has received many honors already and we expect even greater things from him next year when he's a senior.
